Our STORY

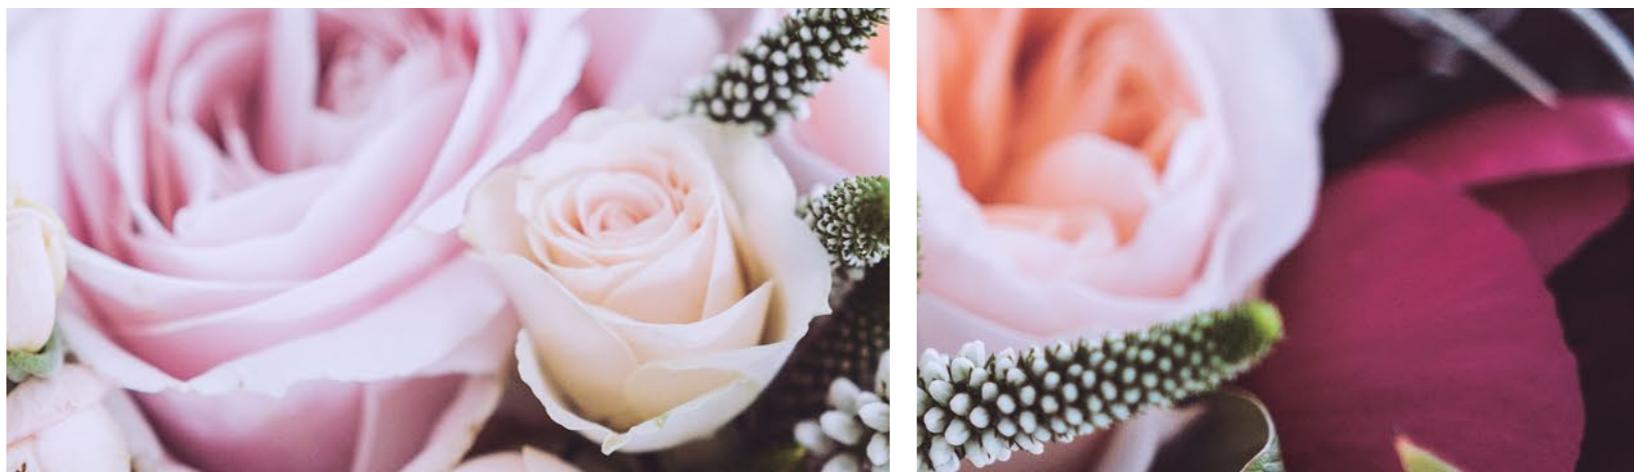

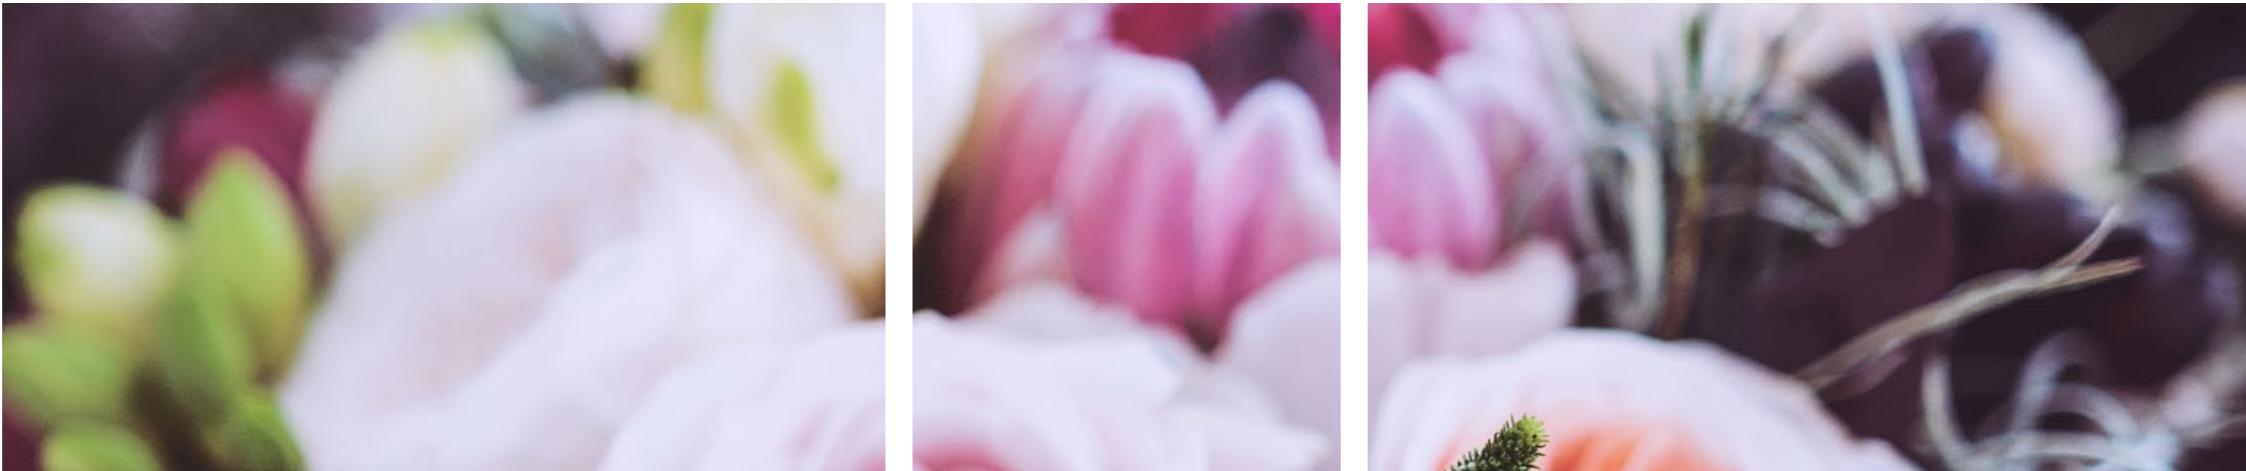

Hansel & Petal is a large, privately held, eco-friendly floral design company, founded in Los Angeles in 1992, that provides custom floral design for events of all sizes. We offer a large variety of plants, flowers, and floral accessories and supplies. We use flowers and plant materials that are sourced in an environmentally friendly manner. Choose from one of our beautiful premade arrangements or allow us to create a custom floral arrangement for any occasion. We also offer products and services for those interested in expressing their personal, creative style with their own arrangements.

FLOWERS & ARRANGEMENTS

Floral arrangement is at the heart of what we do. Whether we're creating one of our classic bouquets or bringing your one-of-a-kind arrangement to life, we give extra attention to every detail. We use only the finest floral products available. Our floral designers are trained to make sure that every arrangement is consistently beautiful and delivered with minimal impact on the environment.

PLANTS & GREENERY

Our versatile potted plants are perfect for both indoor and outdoor garden spaces. We offer house plants in a variety of types and sizes, in both flowering and evergreen styles, to help transform your home or office. Our handmade seasonal garlands and wreaths are a perfect touch for any occasion. We can also create personalized handcrafted wreaths, garlands, foliage, and greenery to complete your special event.

SUPPLIES & CONTAINERS

We offer container and plant supplies that will take your floral arrangements to the next level. We have containers in many styles, from glass vases to unique ceramic pots, and outdoor containers of all shapes and sizes. We also carry supplies to help you maintain your plants. We've developed close relationships with our wholesale floriculturists to provide you with the same quality products used in all our arrangements.
